

Fort Meade S. D.

April 21/90.

Dear Sir:

I wish to get a copy of Brewer and Watson's Flora of California. I do not know the publishers and Messrs Iverson Blakeman & Co. (to whom I applied) have referred me to you. Will you kindly tell me to whom I shall address myself in order to buy a copy. By doing this you will greatly oblige one who is endeavoring to learn something about the very interesting flora of this locality.

Very truly yours

C. A. Ellis
